

Doctor Doctor
We need a doctor they say

Misunderstood
We ain't no fucking hood today

We'll be fine. They'll be fine
We'll be fine, someday

Get high, get drunk
It's fun to be a punk sometimes
Sing loud, sing proud
Our lungs are filled with clouds sublime

We'll be fine. They'll be fine
We'll be fine, someday
We'll be fine. They'll be fine
We'll be fine, someday

We'll be fine. They'll be fine
We'll be fine, someday
We'll be fine. They'll be fine
We'll be fine, someday
