# **FUCK IT**

### **Dune Rats**

I didn't like you much
Fuck it
You never were that tough
When everyone was falling
You were there, you were crawling

#### Down

You'll always bring me down You'll never bring me down You'll always bring me down

You never say I'm wrong
Fuck it
You'll never live that long
When everyone was brawling
You were there you were falling

#### Down

You'll always bring me down You'll never bring me down You'll always bring me down

## Down

You'll always bring me down You'll never bring me down You'll always bring me down
