Two in the front, One in the back
That's three too [?]
With the case in ya lap
The sound is the distorted and the music is crap
Another one is gone cause the police come 'round
'Round
'Round
'Round
'Round
'Round

Yea we living the dream

Everyones saying you need some moderation
All you ever need is a little motivation
If you're getting disconnected than you gotta be strong
LTD is in like us all

Runnin out of policy
Not on the wall

One by one you gotta drink them all
Now there's a never seen policy
One by one you gotta drink them all
Drink them all
Drink them all
You gotta drink them all
