

Melted Into Two

Dune Rats

One, two

I rolled into the old car park
Looking for some freedom, looking for a spark
Here they come, their lights flash blue
Just as they use me, they melt in two two

I've been waiting for my mind to go
I've been waiting for the time to slow me down

Our heads got so messed up they melt in two
Melted into two
Your wide eyes sewn right shut, I can't see you
I can't see you too

I give it a nudge, it starts to come loose
And you come along, you gotta leave it
We've taken too much, you turn into mush
I know it's a lot but I can't see it

I've been waiting for my mind to go
I've been waiting for the time to slow
I guess it's one, two, three, yeah

Our heads got so messed up they melt in two
Melted into two
Your wide eyes sewn right shut, I can't see you
I can't see you too
Our heads got so messed up they melt in two
Melted into two
Your wide eyes sewn right shut, I can't see you
I can't see you too

I can't see you, you can't see me
I can't see you, you can't see me
I can't see you, you can't see me
I can't see you, you can't see me

Our heads got so messed up they melt in two
Melted into two
Your wide eyes sewn right shut, I can't see you
I can't see you too
Our heads got so messed up they melt in two
Melted into two
Your wide eyes sewn right shut, I can't see you
I can't see you too
(I can't see you, you can't see me)
Our heads got so messed up they melt in two
(I can't see you, you can't see me)
Melted into two
(I can't see you, you can't see me)
Your wide eyes sewn right shut, I can't see you
(I can't see you, you can't see me)
I can't see you too
