

Never Gonna Get High

Dune Rats

So anyways, I got this brand new Orange Kush
AK-47 Girl Scout Cookie with a Pineapple Express Hybrid

We used to do it all the time
But somethin' happens to your mind
Cause you think you're doing fine
You're fine, you're fine, you're fine, you're fine, you're fine, but
Hearin' people who ain't there
Now you always wash your hair
I'll be fine and I'll be right
Yeah, I'll be fine, right?

Do it 'cause you wanna
Wanna 'cause you gotta
Do it 'cause you wanna
Wanna 'cause you gotta

It's just a little then a lot
It makes it better when you start
And there's a million types of pot
You shouldn't give it one more shot, one more shot now
I guess it never ends the same
But at least you kept your brain
It's way better than insane
Way better than insane

Do it 'cause you wanna
Wanna 'cause you gotta
Do it 'cause you wanna
Wanna 'cause you gotta

Never gonna get high, gonna get high
Never gonna get high no more
Never gonna get high, gonna get high
Never gonna get high no more

We used to do it all the time (We used to do it all the time)
We used to do it all the time
We used to do it all the time (We used to do it all the time)
We used to do it all the (Do it all the, do it all the)
Saving the world
You're saving the world
Saving the world
You're saving the world

Do it 'cause you wanna
Wanna 'cause you gotta
Do it 'cause you wanna
Wanna 'cause you gotta

Never gonna get high, gonna get high
Never gonna get high no more
Never gonna get high, gonna get high
Never gonna get high no more
No more, no more
No more highs
