Stoner Pop

Dune Rats

Chillin' out drinkin' Coca-Cola
When you're young no one's getting older
Cheap thrills, packin' for the weekend
Dollar bills always try to stop this

So hangin' out drinkin' Coca-Cola
Took some drugs, now I'm gettin' smaller
Big plans, man we're gonna go far
No hands and man we don't work hard

Think we're done drinkin' Coca-Cola
Heard the news, man it's super water
Got no teeth, man I've gotta bite hard
We don't care, tellin' me to go again

We like to see you have fun
We like to see you have fun
We like to see you have fun
We like to see you have some
