

Pariah

Dungeon

Cast from the social circle
Scorned upper echelon
Cursed and betrayed, condemned to walk alone

Denied of social justice
Saw freedom was a crime
Belie respect so watch us walk away

One step beyond the mainstream
Discover who we are
And compromise their perfect world so small

Instinctive sense of freedom
Destroy their comfort zone
A victim of the times we'll never be

PRE-CHORUS:
If you see through our eyes
At a world full of lies
Born to be free
And forever we'll be

Pariah...

Tear down archaic values
Forge future paths of steel
Deny their mediocre way of life

False strength that's born of numbers
No match for strength within
Integrity shall savour victory

REPEAT PRE-CHORUS

Pariah...

CHORUS:
Acceptance is unknown
Condemned to walk alone
Outcast and untouchable
Forever free to roam
Pariah...

SOLOS: LT

REPEAT CHORUS x2

Pariah...
