

# Ball of Confusion

Duran Duran

People moving out  
People moving in  
Why?  
Because of the color of their skin  
Run, Run, Run but you sure can't hide

An eye for an eye  
A tooth for a tooth  
Vote for me, I'll set you free  
Rap on brother, rap on

Well the only person talking about love  
Thy brother is a preacher  
See, No body is interested in learning  
But the teacher

Segregation  
Domination  
Demonstration  
Integration  
Aggrivation  
Humiliation  
Obligation to the nation

Ball of Confusion, Ball of Confusion  
That's what your world today  
Ball of Confusion, Ball of Confusion  
That's what your world today

Is like an all time high  
City's aflame in the summer time, and  
Oh, The beat goes on

Evolution, Revolution, Evolution....  
Gun Control, the sound of soul  
Politicians, can you fucking believe them?

And the band played on  
And the band played on

Round and around and around we go  
Where ever we're standing no body knows

Take a look around  
Can't you hear me talking to you?  
Just a

Ball of Confusion, Ball of Confusion  
That's what your world today  
Ball of Confusion, Ball of Confusion  
That's what your world today

See it in the air  
Tension everywhere  
Unemployment rising fast  
Killers gangs watch your ass

Gun control, the sound of soul

Segregation

Domination

Demonstration

Integration

Aggravation

Humiliation

Obligation to the nation

Ball of Confusion, Ball of Confusion

That's what your world today

That's what your world today

Ball of Confusion, Ball of Confusion.... repeat
