Duran Duran

We are on procession with the crucial, with the wild
Taken in possession by the music and beguiled

Into the black moonlight

(Under the moonlight) (dark magic, imagine)
We're going out tonight
(We're goin' out yes) (the shameless attraction)
Under the black moonlight
(Under the moonlight) (resetting the fashion)
Dance till we're out of sight
(We're goin' out yes) (forgetting some passion)
Into the black moonlight
(Under the moonlight) (dark magic, imagine)
Alive in the dead of night
(We're goin' out yes) (the shameless attraction)
Under the black moonlight
(Under the moonlight) (resetting the fashion)
Waving it all goodbye
(We're goin' out yes) (forgetting...)
Into the...
