

# Come Undone

Duran Duran

**Cm B As B (2x)**

**Cm B As B**  
Mine immaculate dream made of breath and skin I've been waiting  
for you

**Cm B As B**  
Signed with a home tattoo happy birthday to you was created for  
ya

**Cm B**  
Can't ever keep from falling apart at the seams  
**As B**  
Can't I believe you're taking my heart too pieces

**Cm B As B**  
Oh, it'll take a little time might take a little crime to come  
undone now

**As Gm**  
We'll try to stay blind to the hope and fear outside  
**As B Cm**  
Hey child stay wilder than the wind and blow me in to cry  
**B As B Cm**  
Who do you need who do you love when you come undone  
**B As B Cm**  
Who do you need who do you love when you come undone

Words play me deja-  
vu like a radio tune I swear I've heard before  
Chills is it something real or the magic I'm feeding off your f  
ingers

Can't ever keep from falling apart at the seams  
Can't I believe you're taking my heart too pieces

Lost in a snow filled sky we'll make it alright to come undone  
now

We'll try to stay blind to the hope and fear outside  
Hey child stay wilder than the wind and blow me in to cry  
Who do you need who do you love when you come undone  
Who do you need who do you love when you come undone  
Who do you need who do you love when you come undone
