

HAMMERHEAD

Duran Duran

Bang bang boomerang come search and destroy
Hitman knocking down the blue in my sky
Glide by dragon eye see the great empty space
Man-shape the vanities which you lay to waste

Hammerhead come hammerhead
Oh, you come show me my truth (I'm coming for you)
Wearing my skin (wearing my skin)
Wearing my face (wearing my face)
Oh, what part of me has made you?

You're mine, you're mine
You're mine, you're mine

Boom boom lay me down in an ocean of blame
Good nights shanghaied bikinis aflame
Some feel safer in close by the shore
But I wanna be rescued from this shallow uproar

Hammerhead come hammerhead
Oh-oh you come show me my truth (I'm coming for you)
Wearing my skin (wearing my skin)
Wearing my face (wearing my face)
Oh-oh-oh what part of me has made you?

I'm the marrow to your bone, voice set in stone
This is the inevitable - something you already know
The pain is immeasurable, you're gonna pay the toll
When it's all said and done, my name is written on your soul
Feel the pressure, might sing deep, I do the damage for the better
Pulled away, leave you heavy as a feather
You're mine, you're mine we're together
Baby, it's forever

No-no shelter from that withering gaze
When it's my own hammerhead my Modesty Blaise
In the name of all the women I've known
The woman inside of me is out to take me down

Hammerhead come hammerhead
Oh-oh you come show me my truth (I'm coming for you)
Wearing my skin (wearing my skin)
Wearing my face (wearing my face)
Oh-oh-oh what part of me has made you? (I'm coming for you)

I'm coming I'm coming I'm coming I'm coming
I'm coming for you
