

# Last Chance On The Stairway

Duran Duran

**A** **E** **G** **D**  
1. I don't remember quite how I met you wasn't long ago  
**A** **E**  
Just get a picture of sun,  
**G** **D A**  
in your eyes. The waves in your hair  
**E** **G**  
Maybe it's something said in a movie  
**D** **A**  
or you could've said last night.  
**E**  
Just took me out on a limb  
**G** **D**  
And I don't really know what I'm doing here.

**Em** **G** **Bm** **D**  
R: And sometimes I'm caught in a landslide  
**F#** **A** **C#**  
my beat's so in time can you look at me  
**Em** **Bm**  
I'm out of reach I'll talk if it feels right  
**D** **F** **G**  
I've had my last chance on the stairway.

**A** **E** **G** **D**

2. Funny it's just like a scene out of Voltaire twisting out of sight  
'Cause when all the curtains are pulled back  
We'll turn and see the circles we traced  
Ain't no game... when you're playing with fire  
It doesn't seem right that we fight  
So the party runs on all night

R: And sometimes I'm caught in a landslide  
My beat's so in time can you look at me  
I'm out of reach I'll talk if it feels right  
So nervous to say tell me can't you see  
If you want I'll fall out forever  
I can't say no more... bebe dance with me  
And please don't say leave till later  
I've had my last chance on the stairway.

3. Wonder why...  
what makes me rise so high  
Maybe it's something they put in your perfume  
Or the look in your eyes  
It could be the atmosphere sinking  
I don't even know what you're thinking  
Don't even know what you're drinking  
But it keep this heaven alive
