

MORE JOY!

Duran Duran

Shudder in dream, the crying storm
Lightning strikes a kiss, between this world and yours
Whisper unseen, mystery train
Delirious scream like a nightjar's broke refrain

Rorschach clowns, a smudge in the gray
Frantic, we swim in a TV power game

I know where this is going (more joy)
I'm looking at you
I like where it's going (more joy)
Are you coming too?
I know where this is going (more joy)
I'm looking at you
I like where it's going (more joy)
Are you coming too?

(More joy
More joy
More joy
More joy
More joy)
