Am 1. Shake up the picture the lizard mixture Am With your dance on the eventide Am You got me coming up with answers Em All of which I deny I said it again Am Could I please rephrase it Maybe I can catch a ride Am I couldn't really put it much plainer Em But I'll wait till you decide Send me your warning siren Am As if I could ever hide Am Last time La Luna G/F# R: I light my torch and wave it for the Α New moon on Monday And a firedance through the night I stayed the cold day with a lonely satellite 2. Breaking away with the best of both worlds A smile that you can't disguise Every minute I keep finding Clues that you leave behind Save me from these reminders As if I'd forget tonight This time La Luna

R: I light my torch... (4x)
