Duran Duran

No, no, notorious  
No, no, notorious

I can't read about it, burns the skin from your eyes  
I'll do fine without it, here's one you don't compromise  
Lies come hard to disguise  
Let me to fight it out, not wild about it  
Lay your seedy judgments, who says they're part of our lives?

You own the money, you control the witness  
I hear you're lonely, don't monkey with my business  
You pay the profits to justify the reasons  
I heard your promise but I don't believe it  
That's why I'll do it again

No, no, notorious

Girls will keep the secrets so long as boys make the noise  
Fools run rings to break up something they'll never destroy  
Grand notorious slam and who really gives a damn  
For a flaky bandit?  
Don't ask me to bleed about it, I need this blood to survive

You own the money, you control the witness  
I hear you're lonely, don't monkey with my business  
You pay the profits to justify the reasons  
I heard your promise but I don't believe it  
That's why I'll do it again
