

# The Wild Boys

Duran Duran

- Ami** **Emi**  
1. The wild boys are calling on their way back from the fire  
**Ami** **Emi**  
In august moon's surrender to a dust cloud on the rise  
**F** **G**  
Wild boys fallen far from glory  
**Ami** **Emi**  
Reckless and so hungered on the razors edge you trail  
**Ami** **Emi**  
Because there's murder by the roadside in a sore afraid new  
world  
**F** **G** **F** **G**  
They tried to break us, looks like they'll try again
- Ami** **Emi** **Ami** **Emi**  
R: Wild boys never lose it - Wild boys never chose this way  
**Ami** **Emi** **F** **G** **Ami**  
Wild boys never close your eyes - Wild boys always shine
2. You got sirens for a welcome there's bloodstain for your pain  
And your telephone been ringing while you're dancing in the  
rain  
Wild boys wonder where is glory  
Where is all you angels now the figureheads have fell  
And lovers war with arrows over secrets they could tell  
They tried to tame you looks like they'll try again
- R: Wild boys never lose it...
