

... In My Mind (U Ain't GOT ME)

Durand Bernarr

It don't take much to woo me
I get turned on by personality
If you can make me (C-O-M-E in my M-I-N-D)
Then I'm all yours

It's not that I'm picky
Tryna get me turned on is tricky
But if you can't make me (C-O-M-E in my M-I-N-D)
Then I'm out the door

If you ain't got me writing songs about you (You ain't got me)
If I'm not up in the middle of the night with you on my mind (You ain't got me)
If I hear a song and you're not the first thing I think about (You ain't got me)
If you ain't got me comin' in my mind (You ain't got me)

I love to grip a sweat soaked body next to me
I love the rhythm of your heartbeat
If you can make me (C-O-M-E in my M-I-N-D)
Then I'm out the door

If you ain't got me writing songs about you (You ain't got me)
If I'm not up in the middle of the night with you on my mind (You ain't got me)
If I hear a song and you're not the first thing I think about (You ain't got me)
If you ain't got me comin' in my mind (You ain't got me)

It may seem that I'm hard to please
But getting under my skin ain't easy
Cause if you can't make me (C-O-M-E in my M-I-N-D)
Then you can hit the door

If you ain't got me writing songs about you (You ain't got me)
If I'm not up in the middle of the night with you on my mind (You ain't got me)
If I hear a song and you're not the first thing I think about (You ain't got me)
If you ain't got me comin' in my mind (You ain't got me)
