

BLAST!

Durand Bernarr

Di-di-didn't you...
Di-di-didn't you...
Didn't you enjoy yourself?

Too bad there's no studying for the test
You gon' learn in real time
Found a new way to breathe
I never felt so alive
Some of our choices
We can't take back
Boy, I tell you I won't ever do that again
Again...
I wanted to build
But had a weak foundation
Great as a friend
Liability as my person
Sometimes I feel used
If I'm not used, I'm useless
I mighta hurt myself
But I gotta forgive myself
Forgive

Di-di-didn't you... (Di-di-didn't you...)
Di-di-didn't you... (Di-di-didn't you...)
Didn't you enjoy yourself?
I had a blast!

Di-di-didn't you... (Di-di-didn't you...)
Di-di-didn't you... (Di-di-didn't you...)
Didn't you enjoy yourself?
I had a blast!

I didn't let a moment get away from me
You occupied the space and filled it so safety
I've savored every word you've said to me
I appreciate you never playing with me
You help me move forward
No complacency
Inspire me to not get in the way of me
I can only thank you for embracing me
And I hope the end is just anxiety

I really enjoyed myself
And I don't have one regret
Won't know, it could be the last
Either way, I had a blast!
Wouldn't be much else to say
Just make different mistakes
Grateful for what I've had
Can't say I didn't have a blast

Di-di-didn't you...
Di-di-didn't you...
Didn't you enjoy yourself?
I had a blast!

Di-di-didn't you...

Di-di-didn't you...
Didn't you enjoy yourself?
I had a blast!

Di-di-didn't you...
Di-di-didn't you...
Didn't you enjoy yourself?
I had a blast!

Di-di-didn't you...
Di-di-didn't you...
Didn't you enjoy yourself?
I had a blast!

I bet I won't
Ever do that shit no more
No, never
I don't wanna
Ever feel that low
No, ever...

I bet I won't
Ever do that shit no more
No, never
I don't wanna
Ever feel that low
No, ever...

Again

I bet I won't
Ever do that shit no more
No, never
I don't wanna
Ever feel that low
No, ever...

I really enjoyed myself
And I don't have one regret
Won't know, it could be the last
Either way, I had a blast!
Wouldn't be much else to say
Just make different mistakes
Grateful for what I've had
Can't say I didn't have a blast

Di-di-didn't you...
Di-di-didn't you...
Didn't you enjoy yourself?
I had a blast!

Di-di-didn't you...
Di-di-didn't you...
Didn't you enjoy yourself?
I had a blast!
