

Boundaries

Durand Bernarr

Gotta set these boundaries, if I don't you'll do it for me

No, no

No, no

I'm setting boundaries (No)

You're setting your boundaries (No)

We're setting boundaries (N-n-no)

I set my boundaries (No, no)

[illegible]

Non (Tuh)

Nah (Nah, I'm good, too good)

Ugh, just no

I'm setting boundaries (Ha, no)

You're setting your boundaries (What did I just say? No)

We're setting boundaries (Hell no)

I set my boundaries (No, no)

(It's givin' a hell no)

What you mean why? Wasn't no sufficient?

Wasn't because I don't want to good enough for you? (It's a hell no)

(Hell no, no, no, no, no, no, no, no, no, no, no, no, no, no, no, no, no)

[illegible]

I'm setting boundaries (It's still no)

You're setting your boundaries (Yesterday, it was no)

We're setting boundaries (Today and tomorrow, no)

I set my boundaries (Forever, no)

Boundaries are on a world tour, and tired is the opening act, okay?

And you wanna know the name of tireds band, baby? Exhausted (Boundaries)

I'm seein' it all over, folks are drawing the line, baby, they are learning how to say, "No" (Boundaries)

They are learning how to not let people walk all over them including family,
baby, let me tell you, I'm proud of you

If boundaries has come to a city near you, baby, let me tell you, go to the show (Boundaries)

And see what happen, I'm tellin' you, oh, baby, and tired? Oh, baby, tearin'
it up

Exhausted? Layin' it out

Alright? I just wanted y'all to know, that's what's happenin'

(Gotta set these boundaries, if I don't you'll do it for me)

And I don't care who you are

(Gotta set these boundaries, if I don't you'll do it for me)

I don't care what I allowed before

(Gotta set these boundaries, if I don't you'll do it for me) Oh

Uh-uh, watch this, watch this

No, see how peacefully I just said that? (Ha)

(Gotta set these boundaries, if I don't you'll do it for me)

Do it for me, do it for me

Can't even do it for me, do it for me

(Gotta set these boundaries, if I don't you'll do it for me) Oh-oh

Do it for me, do it for me
Can't even do it for me, won't even do it for me
(Gotta set these boundaries, if I don't you'll do it for me) Oh-oh, no
