

# ETA?

Durand Bernarr

Keys, cellphone't, wallet, my purse  
It's a fanny pack, but I'm being funny  
Mm-mm, ha, ha, ha, ha

I'm already there  
Are you there yet?  
I'm already here  
Don't say you're close if you're not near

What is your ETA?  
What is your ETA?  
What is your ETA?  
What is your ETA?  
Let me know when you're hitting the road  
What is your ETA?  
You're gonna make us late

Have you even left the house yet?  
You said you was gon' be here in twenty minutes, forty-five minutes ago  
You remember "Mapquest?"  
Of course you don't, and don't  
(You better be on your way)

I'm already there  
Are you there yet?  
I'm already here

What is your ETA?  
What is your ETA?  
What is your ETA?  
What is your ETA?  
Let me know when you're getting close  
What is your ETA?  
Please let it be today (Today, today, today, today)

What is your ETA?  
What is your ETA?  
What is your ETA?  
What is your ETA?
