

# Fist Bump

Durand Bernarr

Ooh, Goddamn  
I literally just took the tag up off this fit, aw  
And ooh, Goddamn  
Is there a heart in the house with a Tide pen, aw, aw?

I got you on a fist bump  
Even a smooch on the cheek, but I can't give you no hug  
My shirt gonna be riddled with makeup (Fist bump, yeah)  
I got you on a fist bump, yeah  
Even a smooch on the cheek, but I can't give you no hug  
My shirt gonna be riddled with makeup (Fist bump, yeah)

I'm starting to believe Maybelline got it out for me  
Why should I have to change my ensemble every time you embrace me?  
Oh my God, it's ruined (Ruined)  
Careful what you're doing (Doing)  
Nigga, this is Louis (Louis, I'm lyin')  
It was Avalon Exchange, but still

Oh, I got you on a fist bump, yeah  
Even a smooch on the cheek, but I can't give you no hug  
My shirt gonna be riddled with makeup (Fist bump, yeah)  
I got you on a fist bump, yeah  
Even a smooch on the cheek, but I can't give you no hug  
My shirt gonna be riddled with makeup (Fist bump)

If you plan on steppin' out with a whole 'nother face on (My goodness)  
Lead with courtesy and give a tap from my elbows (It's the courtesy tap for me)  
Because you all have ramshackled  
Ya last fit in this tabernacle  
So do this for me, keep at least six feet in between, ooh, yeah

Air kisses, you get air kisses (Nah, just air kiss, baby), air kisses  
Or you can get a fist bump  
Air kisses (Nah, not too close), just air kisses (Mm-mm, uh, uh)  
Can't mess up my britches, woo  
Air kisses, you get air kisses (I said air kisses), air kisses  
Or you can get a fist bump (Uh, uh)  
Air kisses, fuck ya think this is?  
Can't mess up my britches, oh, oh, oh

Oh, I got you on a fist bump, yeah  
Even a smooch on the cheek, but I can't give you no hug  
My shirt gonna be riddled with makeup (Fist bump, yeah)  
I got you on a fist bump  
Even a smooch on the cheek, but I can't give you no hug  
My shirt gonna be riddled with makeup (Fist bump, yeah)

(Goddamn it)  
I got you on a fist bump  
Even a smooch on the cheek, but I can't give you no hug  
My shirt gonna be riddled with makeup, fist-  
I got you on a fist bump, yeah  
Even a smooch on the cheek, but I can't give you no hug  
My shirt gonna be riddled with makeup, oh, ooh, ooh-ooh
