

Ingredients

Durand Bernarr

Take care of them chops
Take care of them chops, oh
Take care of them chops
Take care of them chops, oh
Take care of them chops
Take care of them chops, oh, yeah

Hey, I need you to earn yo' keep
You not finna gift me the thing you barely usin' and try to pas
s it off as value (Exactly)
I before E except after me (After)
Miss Johnson Avery Williams
You better get yo' ass off my bed wit' them outside clothes on,
okay, who and what raised you? (Chile, I'm just sayin')
Blessed and highly favored in myself
Rise to the occasion (What's the occasion?) Bitch, me
Tuh (Tuh)
A dumbass drivin' a smart car (Shut up)
You know she used to call me bubblin' brown sugar back in the d
ay (Bitch)
When you gotta remix Patrice and send the kids "try me nots" to
help them to remember (Remembering)
It's a great idea for a journal entry, bad idea for a Facebook
post
Don't tweet that
There's no if I said so, I just said it (You're trying to provo
ke me)
The eating and the topping is out 'cause you got homework to do
(Get to workin' the home)
Why you askin' me? Ask Jeeves
Flats? 'Cause I ain't never heard of nobody talkin' 'bout some
give the flats some yaknow? (Oh, we know)
Ain't naan song about a flat ass
And the only thing I do flat is lay these burdens down (Lay the
m on down then)
Drums only (Fight yo' mama)
Gimme a bridge, gimme a change, gimme a modulation (I mean some
thing)
'Cause we got places to go (Shit)
You ain't finna vibe me to death, okay?
That's clearly too tall for me 'cause that went way over my hea
d, alright?
Eat me out of house, and home, body, and soul
Whew, oh, my goodness
I don't know what I'd do without myself (Myself)
Myself (Myself), myself (Myself)
Baby, It's givin' sugar family
A ol' nasty piece of carbohydrate caretaker

Mmm, there's corn syrup, oh, yes, and sugar, and palm oil
And citric acid, salt, soy, artificial flavor, yeah, yeah, yeah
, yes
Charmed, I'm sure, somebody's had enough
Alright now, Scurry right on along, thank you
Toodaloo, ciao, I said, "Good day"
Yeah, yeah, yeah, yeah, ooh, uh-huh
