

Insufficient

Durand Bernarr

You can still bring me to tears every time we reminisce
Over a decade of memories, nothing can surpass this

But I can't do this no more (Oh-oh)
It's not you, it's me, I'm sure
Not even cliché, I'm gentle but I'm frank
No one lost, we win or we learn

I'll love you from a far, I gotta keep my distance
You're a constant reminder of what I was missin'
When I was insufficient

I cringe at your name, shudder at the sound of your voice
I wish I could feel otherwise, but my heart leaves me no choice
Stuck around for too long because I knew you needed me
But it only does more damage to keep hostage what desires to be
free, hey

And I can't do this no more (Oh-oh)
It's not you, it's me, I'm sure (Oh-oh)
Not even cliché, I'm gentle but I'm frank
No one lost, we win or we learn

I'll love you from a far, I gotta keep my distance
You're a constant reminder of what I was missin'
When I was insufficient (Ooh, oh, ooh-ooh, ooh)

I'll love you from a far
You'll always be in my heart
But I gotta love you from a far
Bein' away is so hard
I'll love you from a far
You'll always be in my heart
But I gotta love you from a far
You bein' close hurts my heart

I'll love you from a far, I gotta keep my distance (I've gotta
keep my distance)
'Cause you're a constant reminder of what I was missin'
When I was insufficient
I'll love you from a far (Ooh), I gotta keep my distance (Ooh)
You're a constant reminder of what I was missin'
When I was insufficient
