

Leveled

Durand Bernarr

I never knew how high I was
Until you brought me down, leveled me out
I never knew how much I grew
Until we stood side by side to see eye to eye

I trust you more than I love you
Lovin' you had force (Ah-ah), naturally earned (Ah-ah)
When you displayed to me (Ooh) exactly just how deep (Ooh-ooh)
I could barely catch my breath (Ah), moment of catharsis

I never knew how high I was
Until the day you brought me down, leveled me out
I never knew how much I grew
Until we stood side by side to see eye to eye

Oh, bring me in (Bring me in), bring me in (Bring me in)
Oh, yeah, bring me in (Bring me in), bring me in
Bring me in, bring me in
Bring me in (Bring me in), bring me in

I never knew how high I was
Until you brought me down, leveled me out
I never knew how much I grew
Until we stood side by side to see eye to eye

Ooh, ooh-ooh, ooh-ooh
Take me out and in, help me breathe again
Didn't see this comin', it was already here
Oh, feel me begin and end, help me to breathe again
Didn't see this comin', show me who I am and bring me in

Bring me in, bring me in (Bring me in)
Bring me in, ooh
Bring me in
Bring me in (Bring me in), bring me in (Bring me in)
Bring me in, bring me in
Bring me in (Bring me in), bring me in

Ooh-ooh-ooh-ooh, yeah
Ooh-ooh-ooh-ooh, yeah
