

Beauty don't work for me, that's not what I need  
'Cause I want my baby a little bit ugly  
Just be fine to me, y'all think I'm kidding but I  
Need my baby a little bit ugly, yeah

You too cute, can't go wit'chu  
Be puttin' on a show without a stage  
And I can't compete wit' a cat six feet  
Just in case you weren't aware  
You too fine like, uh-huh, uh-huh-huh  
(Ee, yeah, yeah) Ee, yeah, yeah, uh-huh  
Ooh, ooh-oh-ooh  
Uh-huh, I said uh-huh-huh, yeah  
Ee, yeah, uh-huh, uh-uh-uh

Beauty don't work for me, that's not what I need  
'Cause I want my baby a little bit ugly (Yeah, yeah, yeah)  
Just be fine to me, y'all think I'm kidding but I  
Need my baby a little bit ugly, yeah (Yeah, yeah)

I can deal with you if you're cute (Cute)  
But I want you to be a little rude (Hey, yeah-yeah, yah)  
You need at least one foot back  
To humble you, tell you where you're at (Yeah)  
If I fall in love with you, you can't be too cool  
Not to be rude, but my ego's too fragile (Let's slow it down)  
I smell crazy if a lady's comment section's all men (That's a red flag)  
I can't love you, get out of my DM's  
I can't deal with you if all yo' exes where no sleeves to gyms  
Ruin my life, she would ruin my life (Uh-huh)

Beauty don't work for me, that's not what I need  
'Cause I want my baby a little bit ugly (A little bit ugly)  
Just be fine to me, y'all think I'm kidding but I
