

Must Be Nice

Durand Bernarr

Must be nice, must be nice (Ugh)
Must be nice (What?)
You should try it sometime
Must be nice (It is)
Must be nice (It is)
Must be nice (It is)
You should try it sometime

I won't let you make me feel bad (Hell no)
For getting myself to where I am
And if I decide to treat me (Treat me)
I'm gon' be glad like garbage bags
I been working my ass off (Ass on off)
All the live long day
Yes (Yes), it is nice (So nice)
'Cause life took me the long way
So, uh

Must be nice (It is)
Must be nice (It is)
Must be nice (It is)
You should try it sometime
Must be nice (It is)
Must be nice (It is)
Must be nice (It is)
You should try it sometime
Must be nice (It is)
Must be nice (It is)
Must be nice (It is)
You should try it sometime
Must be nice (It is)
Must be nice (It is)
Must be nice (It is)
You should try it sometime
Only if you like

(Woo-woo) Root for a nigga
Clap for a bitch
Why even be on that ol' hating-ass shit?
Oh I get it (Ah), this ain't about me (It never was)
Does it really get to you I'm everything you aspire to be? (Let him cook)
Maybe? Don't get me to lyin'
Damn it, I just ran outta hybrid (Well, well)
I hear what you sayin' (Loud and clear), and I agree (Very highly)
Yes, it's nice, indubitably
It's spectacular, amazing (Wonderful), incredible, stunning
Phenomenal (Fabulous), breathtaking, life changing (Exquisite)
Groundbreaking, inspirational (That's right') (All those things)
A sight to behold (Uh-
huh), the eighth wonder of the world, okay? (The eighth)
At your earliest convenience, you should give it a try
Whenever capacities are feasible for you and yours, ho
So, uh

Must be nice (It is)
Must be nice (It is)
Must be nice (It is)

You should try it sometime
Must be nice (It is)
Must be nice (It is)
Must be nice (It is)
You should try it sometime
Must be nice (It is)
Must be nice (It is)
Must be nice (It is)
You should try it sometime
Must be nice (It is)
Must be nice (It is)
Must be nice (It is)
You should try it sometime
Only like you like

And try it when you can, it's so nice
