

# New Management

Durand Bernarr

When I was a little boy you had me shook to bein' myself  
Told me even thoughts of mine would risk me not enterin' the gates  
Did the things you wanted me to, listened to your bright ideas  
However I soon grew to know they were all based out of fear

I didn't ask to be here, but I'll tell you what

I'm gon' bust hell wide open  
(Since I'm goin') When I get there

Heat rises so I know Heaven is hotter than hell (Awe, sooki-sooki)  
And I'm not crediting anybody that was never there  
I might've been told long ago what I should believe  
But it couldn't override how I was taught to think, listen

I didn't ask to be here, but I'll tell you what

I'm gon' bust hell wide open  
(Since I'm goin') When I get there

Shang, shang, shanga, shang  
Shang, shang, shang, shang, shanga, shang  
Uh, shang, shang, shang, shanga, shang  
Uh, shanga, shanga, shang, shang, shanga, shang, -ang  
Shang, shang, shanga, shang (Oh, baby, baby)  
Shang, shang, shang, shang, shanga, shang  
Shang, shang  
Shang, shang, shanga, shang, shang (Oh, baby, baby)  
Shang, shang, shanga, shang

I'm gon' bust hell wide open  
(Since I'm goin') When I get there  
I'm gon' bust hell wide open  
(Since I'm goin') When I get there

I'm here, oh, yes  
I been waitin' to get this off my chest for a nice lil' minute now  
I said won't I, won't I do it? (Uh-huh)  
Won't I, won't I do it? (Mm-hmm)  
Didn't I, didn't I do it? (Shole did)  
Didn't I, didn't I do it?  
Hell's under new management  
And I cain't wait to go  
I been good on havin' faith 'cause I would rather know  
But, but, but won't I, won't I do it? (Uh-huh)  
Won't I, won't I do it? (Mm-hmm)  
Didn't I, didn't I do it? (Shole did)  
Didn't I, didn't I do it?  
Hell's under new management  
And I cain't wait to go  
I been good on havin' faith 'cause I would rather know

So I'm gon' bust hell wide open  
(Since I'm goin') When I get there  
I'm gon' bust hell wide open  
(Since I'm goin') When I get there
