

# Paranoid

Durand Bernarr

You are so beautiful  
But I don't wanna talk to you  
What if you turn out to be an ass?  
Then all my feelings for you would end up trash  
I just wanna continue to dream  
About if we could ever be  
And since I don't wanna talk to you  
It'll please me to just look at you

I don't wanna talk to you  
I don't wanna touch you  
I don't wanna be with you  
All I wanna do is see you

You got me paranoid  
I get to quivering the moment that  
I hear your voice I wanna say something, but silence is my only  
choice  
Just don't want my feelings for you to end up null and void  
All because of your attitude  
I heard if you meet your hero, they'll disappoint you  
That metaphor applies to the crush that I have on you  
What should I say? Maybe I won't. I don't know what to do

I don't wanna talk to you  
I don't wanna touch you  
I don't wanna be with you  
All I wanna do is see you

I don't wanna talk to you  
I don't wanna touch you  
I don't wanna be with you  
All I wanna do is see you

I don't wanna talk to you  
I don't wanna touch you  
I don't wanna be with you  
All I wanna do is see you

I don't wanna talk to you  
I don't wanna touch you  
I don't wanna be with you  
All I wanna do is see you
