On my back, my stomach, on a goddamn handstand?

Feelin' kinda hungry (Oh, woah)

Won't leave you in suspense 'cause I'm really tryna flip

Don't deny me, but take it easy

Ya boy gotta be to work in the morning

Gonna hug you tight the further you're inside

Good thing I'm number three, I fit in just right

Regular dick niggas go balls deep (That's so sweet)

I feel my help comin' on steep (And it works fine for me)

Can ya meet me halfway? I'm 'bout half the weight

Won't take long if ya don't want

I can get there in a few pumps

Yo, stop not bein' ready so ya won't have to get ready

'Cause if I'm on stage you gon' be right there wit' me

Stop not bein' ready so ya won't have to get ready
