

RACKET!

Durand Bernarr

Why when I wanna be quiet everything wanna make noise? (Goddamn)
Tryna keep my balance and
But I keep fallin' down (Bruh)
Why when I wanna be quiet everything wanna make noise? (Shh)
Tryna keep my balance and
But I keep fallin' down

Uh, GarageBand ain't never hurt nobody
Sooner or later, I'll update to Logic
You think that you can, hmm, sure Jan
Get the fuck up off of my head man
Thank you everybody that came to donate
I got you next time I slide through your state
It'll be worth it 'cause they know my shit's great
Why you think they tryna hide like a keep safe? (Bitch)

I think you're scared, baby
What I look like next to you?
You might be scared, baby
Don't want me to do better than you

Don't want me to be better, I just can't be better
Damned if I'll be better than you (Ooh-oh)
Don't want me to be better (Ooh), I just can't be better
Damned if I'll be better than you (Ooh-oh)

Y'all ain't wanna give me my things in motherfuckin' twenty-nineteen
Fourteen years and paid my dues
Doin' my part and payin' yo' rent, too (Is)
Utilities not included
The world ain't pretty, bitch, this shit ruthless
And I know 'cause my ass been lookin'
But I'm on the outskirts, so I'm like, "Nah, I'm good friend" (No, no, I'm-
I'm really good, thanks)
Shit wanna creak when I'm tryna sneak
Shit wanna peep when I'm tryna sleep
Shit wanna creak when I'm tryna sneak
Shit wanna peep when I'm tryna sleep (Shut yo' ass up)

I think you're scared, baby (Ooh, I think you're scared, babe)
What I look like next to you? (Ooh-oh)
You might be scared, baby (You might be scared)
Don't want me to do better than you

Don't want me to be better (Nah), I just can't be better (Oh, hell nah)
Damned if I'll be better than you (Ooh-oh)
Don't want me to be better, I just can't be better (I just can't be better)
Damned if I'll be better than you (Ooh-oh)

Ooh-ooh-ooh
Ooh-ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
Ooh-ooh-ooh
Ooh-ooh-ooh-ooh-ooh
Ooh-ooh-ooh-ooh
But the real question is (Ooh-ooh-ooh-ooh)

Why when I wanna be quiet everything wanna make noise? (Goddamn)
Tryna keep my balance and
But I keep fallin' down (Ooh, bruh)
Why when I wanna be quiet everything wanna make noise? (Shh)
I'm tryna keep my balance and
But I keep fallin' down
