

READY!

Durand Bernarr

Who said I was ready
Who said I was ready to roll
Who knows what you're ready for
But I'm not ready to go

I'm not ready to go now
I'm not ready to go now
I'm not ready to go now
Don't wanna go now...
I'm not ready to go now

Very rare
I get this way-e-aye
Oh you think
You got the answer, sway
For Ye?

Who said I was ready
Who said I was ready to roll
Who knows what you're ready for...
But I'm not ready to go

Not ready to go
Not ready to go
(My body...)
Not ready to go

I'm not ready to go now
I'm not ready to go now
I'm not ready to go now
Don't wanna go now...
I'm not ready to go now
