

# STUCK.

Durand Bernarr

Don't you get stuck in love with me  
Don't you get stuck in love with me  
Please don't let the sun come up  
And you ain't hopped back outta love  
Back on out of love with me

I won't catch you if you fall, but I can love you on your way down  
So you can never say that I kicked your emotions around  
You're on the main road, I took a detour  
So if you decided to play, you know what you're getting into now

Don't you get stuck in love with me (Don't you get stuck, babe)  
Don't you get stuck in love with me (Ooh, yeah)  
Don't you let the sun come up  
And you ain't hopped back outta love  
Back on out of love with me  
Ooh, wah  
Sing, Nate Dogg  
(Baby, don't you get stuck, ooh)

You be in your corner being whatever you wanna  
Butcha cain't be that with me (uh-uh)  
I stay being tardy, showing up late to the party  
But the jam is guaranteed  
I have no capacity for responsibility (Baby, don't you get stuck)  
I'm still on a journey to discover who I'm coming to be

Don't you get stuck in love with me (Don't you get stuck)  
Don't you get stuck in love with me (Oh, yeah)  
Please don't let the sun come up  
And you ain't hopped back outta love  
Back on out of love with me

(Baby, don't you get stuck)  
Baby, don't get stuck  
You gon' end up somewhere the sun don't ever come up  
And I would hate for you to go where you cain't get back from  
And if you leave, be back before streetlights come on  
Hey-hey yeah

Don't you get stuck, don't you get stuck  
Don't you get stuck, don't you get stuck (Don't you get stuck)  
Don't you get stuck, don't you get stuck  
Don't you get stuck, don't you get stuck (Don't you get stuck)  
Don't you get stuck, don't you get stuck  
Don't you get stuck in love with me (Don't you get stuck, babe)  
Don't you get stuck with me (Don't you get stuck, babe)  
Don't you get stuck with me (Don't you get stuck, babe)  
Don't you get stuck with me

Stuck, up, from, ooh, ooh, ooh

Take care of them chops  
Take care of them chops  
So you can suck my, oh yeah  
Mhmm, oh yeah  
Take care of them chops

Yes, make it pop
