

Judgement Day

DURRY

It's judgement day and I'm still feeling fine
(I'm fine, I'm fine, I'm fine, I'm fine, I'm fine, I'm fine)
Put my shoes on just the same
One foot at a time
(One foot at a time)

It's judgement day
(It's judgement day)
And the whole world's on fire
(On fire, on fire, on fire, on fire, on fire, on fire)
Can't it wait 'til I've had my coffee?
I can tell we'll be here for a while
(Be here for a while)

Maybe it's the end of times
Maybe soon we'll all die
Maybe that's alright
(Alright, alright, alright)

Nothing lasts forever
If it's over, that's alright
(Alright, alright, alright)
At least we've got each other
And there's no need for goodbyes

It's judgement day
(Judgment day)
And there's still nothing to do
(Nothing to do, nothing to do, nothing to do)
The hazmat suit sure looks good on you (whistles)
It's a damn shame we don't have to
(Damn shame we don't have to)

Maybe if we all try
Maybe we'll be just fine
Maye that's alright
(Alright, alright, alright)

Nothing lasts forever
If it's over. that's alright
(Alright, alright, alright)
At least we've got each other
And there's no need for goodbyes
Goodbyes

Maybe if we all try
Maybe we'll be just fine
Maye that's alright
(Alright, alright, alright)

Nothing lasts forever
If it's over. that's alright
(Alright, alright, alright)
At least we've got each other
And there's no need for goodbyes

Nothing lasts forever

If it's over. that's alright
(Alright, alright, alright)
At least we've got each other
And there's no need for goodbyes
Goodbyes
