

# Killing Time

Dust Bolt

Time

Are we just wasting time?  
With pictures in our minds  
Of things we chase but can't need inside

Time

Why are we wasting time  
Too painful we can't find  
What's set to grow  
Deep in our minds

Soulless inside  
Killing time

Soulless inside  
Killing time

Crawl in my brain  
'Til it doesn't let me go  
Time goes insane  
There's nothing to be told  
Can't find the inside  
Distracted mind

Soulless inside  
Killing time
