

New Flame

Dust Bolt

I don't wanna hear me breathing like a monster
I don't wanna see me diving into the dumpster
I don't wanna feel me older than an Ozbourne
I just wanna be a motherfuckin' rockstar

Thanks for your understanding
My journey's never ending
My heart, it's gotta burn, yeah
So I go on with a new flame

Oh, I'm gonna do it no matter what you're thinkin'
I'm gonna be myself in every situation
I'm gonna be a bash for all you fuckin' bashers
And I'll call myself a motherfuckin' thrasher

Oh, yeah

Thanks for your understanding
My war is never ending
Oh
My heart, it's gotta burn, yeah
So I go on with a new flame

Yeah
Gotta move on with a new flame
Gotta move on with a new flame

Gotta move it on
Gotta move it on
Gotta move it on
Gotta move it on
Gotta move it on
Gotta move it on
I gotta move it on
(We gotta move it on)

Yeah
Thanks for your understanding
My journey's never ending
Oh, yeah
My heart, it's gotta burn, yeah
Let's go on with a new flame
