

## Closer to the Speed of Sound

Duster

Don't, don't, don't, come over tonight  
Don't, don't, don't, be over tonight  
Don't, don't, don't, look at me with your eyes  
Don't, don't, don't, sleep over tonight

Don't, don't, don't, come at me with your lies  
Don't, don't, don't, come over tonight  
No, no, no, knowing that you're mine  
Don't, don't, don't, come over tonight
