

Letting Go

Duster

Waste away till you're all used up
Walk away till you lose your touch
But someone won't be there anymore
Lost again in the same old muss
I remember how it was once
But memories don't do me any good
Oh

Oh I just can't take it anymore

Let it come get the best of us
Letting go 'cause it takes too much
Until they can't take us anymore
Tumble down and all broken up
I remember how it was once
But memories aren't doing any good
Oh

Oh I just can't take it anymore
Oh
