

## It's Not Enough

Dustin Kensrue

Though all the wealth of men was mine to squander  
And towers of ivory rose beneath my feet  
Were palaces of pleasure mine to wander  
The sum of it would leave me incomplete

Though every soul would hold my name in honor  
And truest love was always by my side  
My praises sung by grateful sons and daughters  
My soul would never still be satisfied

It's not enough, it's not enough  
I could walk the world forever  
Till my shoes were filled with blood  
It's not enough, it's not enough

Though I could live for all to lift them higher  
Or spend the centuries seeking light within  
Though I indulged my every dark desire  
Exhausting every avenue of sin

It's not enough, it's not enough  
I could walk the world forever  
Till my shoes were filled with blood  
It's not enough, it's not enough  
I could right all wrongs, or ravage  
Everything beneath the sun  
It's not enough, it's not enough

To make me whole  
It's not enough, it never was  
Awake my soul  
It's not enough, it never was

It's not enough, it's not enough  
I could walk the world forever  
Till my shoes were filled with blood  
It's not enough, it's not enough  
I could right all wrongs, or ravage  
Everything beneath the sun  
It's not enough, it's not enough  
Though all would bow to me  
Till I could drink my fill of fear and love  
It's not enough, it's not enough
