## It's Not Enough

## **Dustin Kensrue**

Though all the wealth of men was mine to squander And towers of ivory rose beneath my feet Were palaces of pleasure mine to wander The sum of it would leave me incomplete

Though every soul would hold my name in honor And truest love was always by my side My praises sung by grateful sons and daughters My soul would never still be satisfied

It's not enough, it's not enough
I could walk the world forever
Till my shoes were filled with blood
It's not enough, it's not enough

Though I could live for all to lift them higher Or spend the centuries seeking light within Though I indulged my every dark desire Exhausting every avenue of sin

It's not enough, it's not enough
I could walk the world forever
Till my shoes were filled with blood
It's not enough, it's not enough
I could right all wrongs, or ravage
Everything beneath the sun
It's not enough, it's not enough

To make me whole
It's not enough, it never was
Awake my soul
It's not enough, it never was

It's not enough, it's not enough
I could walk the world forever
Till my shoes were filled with blood
It's not enough, it's not enough
I could right all wrongs, or ravage
Everything beneath the sun
It's not enough, it's not enough
Though all would bow to me
Till I could drink my fill of fear and love
It's not enough, it's not enough
