

# Ruby

Dustin Kensrue

I've been foolish and blind  
Time after time  
Girl, I've let you down

And I'm losing my mind  
Trying to find a way  
To show you now

You are all I want...  
And you are all I want

Girl I'm down on my knees  
Begging you please  
I need another chance

But you're not looking at me  
Are you hearing my plea?  
Won't you take my hands?

'Cause, Ruby, you're all that I want  
My heart and my treasure  
Ruby, you're all that I need  
For now and forever

You're all I want  
You're all I want

I know that talk is cheap  
And words seem weak  
Coming from this broken man

Still I will speak  
'Cause I can't sleep  
Until you truly understand

'Cause, Ruby, you're all that I want  
My heart and my treasure  
Ruby, you're all that I need  
For now and forever

Don't want diamonds or gold  
When I've got my Ruby, to hold you  
I'm in ecstasy  
I can't ever get enough

Don't want platinum or pearls  
I'd trade all the jewels in the world  
To have you next to me  
I can't live without your love

Nooo -

'Cause, Ruby, you're all that I want  
My heart and my treasure  
Ruby, you're all that I need  
For now and forever

You are all I want
