

That's The Thing About Hurricane

Dustin Lynch

[Verse 1:]

I knew when she flew in she wouldn't stay.
Every now and then God makes one that a way.
Red-haired, wild-child, with storms in her eyes.
I knew I'd never be the same.

[Chorus:]

That's the thing about a hurricane.
She's all lightnin', and wind and rain.
Get's you close and you're swept away.
Better hold on till it breaks, cause it's a hell of a
ride, if you can just survive the pain.
That's the thing about a hurricane.

[Verse 2:]

She said she was a runnin' from her past.
Every breath she stole felt like my last.
And her kiss told me 'better get outta there', but I
was too far to care.

[Chorus:]

And that's the thing about a hurricane.
She's all lightnin', and wind and rain.
Get's you close and you're swept away.
Better hold on till it breaks, cause it's a hell of a
ride, if you can just survive the pain.
That's the thing about a hurricane.

[Verse 3:]

Now even in blue skies, there ain't no forgettin'.
Is it any wonder they name em after women?

[Chorus:]

And that's the thing about a hurricane.
She's all lightnin', and wind and rain.
Get's you close and you're swept away.
Better hold on till it breaks, cause it's a hell of a
ride, if you can just survive the pain.
That's the thing about a hurricane.
