

## Last Line

Dustin Tebbutt

I'll believe it in the morning when you say it in it's own right

If it comes a little harder maybe it's worthwhile

So lay a little closer I'm here to see the sparks fly

Can you be the one to show me, how to do the fall right

I'm seeing something here

More than what I'm letting in

We've been so low, hope for the last line

Can you carry my bow as I fall behind

It's the way we change it always was

And I'm holding my breath and holding my tongue

I'm seeing something here

More than what I'm letting in

I'm seeing something here

More than what I'm letting in

I'm seeing something here

More than what I'm letting in

I'm seeing something here

More than what I'm letting in

I'm seeing something here

More than what I'm letting in

I'm seeing something here

More than what I'm letting in
