

MISFIT

DUSTY LOCANE

Look

Stormy weather don't last forever
The sun gon' shine again

Know I gotta keep it on the low (I gotta keep it)
I got brothers facing time, I just don't know (I don't know)
I could make a body turn cold (Turn cold, turn cold)
Lights, cameras, action, got my suvys on go (Grrt, Damn Sho)
I can't put my faith in nobody (A soul)
Murder, homicide, it's a robbery (Yeah, it's a robbery)
I just put my trust in my Glocky (I keep it with me, ho)
And you got one time to try me (So don't try me)

Questions that I'm stuck asking the lord (I be askin')
Am I gon' make it out? 'Cause I'm not sure (Am I gon' make it out?)
A million reasons why I'm built for war (I'm built for war)
Knock at your door, four-four, hit your core (Grrt, bow)
Growing up, they said I was a misfit
But they don't understand that I was just on crip shit
And niggas try to play, then I'ma spray, get him hit (Get that boy hit)
Make a call today, ándale, flip switch (Flip)
They portray me as a demon (As a demon)
Just because the way I live my life (Yeah I be livin')
But it's all cool, it's alright, I keep my pipe (I keep it tucked)
Tryna to do right, but I go left (I go left)
No stress 'bout a check, keep a TEC

Know I gotta keep it on the low (On the low)
I got brothers facing time, I just don't know
I could make a body turn cold (Turn cold)
Lights, cameras, action, got my suvys on go (Grrt, bow)
I can't put my faith in nobody (I can't put my faith)
Murder, homicide, it's a robbery (We gon' go and rob 'em)
I just put my trust in my Glocky (Put it in my Glock)
And you got one time to try me (Don't try me)

I really grew up where they shootin' and they deal at (Deal at)
Mad Max out his mind, throwing pills back (Pills back)
And shit, you only got one time, I hope you feel me (Hope you feel me)
Pull up with the stars on the ceiling (Ceiling)
Got a dub in my pants, bae don't even flip, chop got it (I got it)
If I step on him, it ain't my problem
Thuggin', my niggas will take your soul out your body
Got ammo, we be clutching every day too (Every day too)
Smoking on the back, but I ain't no Babe Ruth (Bath Ruth)
Get loaded in the 'Yo and on the stage too (On the stage too)
Diamonds in the face and on the waist too (On the waist too)
All my jewelry on when I swang through (When I swang through)

Know I gotta keep it on the low (I gotta keep it)
I got brothers facing time, I just don't know
I could make a body turn cold (Turn cold)
Lights, cameras, action, got my suvys on go (Uh huh)
I can't put my faith in nobody (Not a soul)
Murder, homicide, it's a robbery (Yeah, it's a robbery)
I just put my trust in my Glocky (I keep it with me, ho)
And you got one time to try me (So don't try me)
