Give Me Time

Dusty Springfield

If you'll only give me time All the heartache that he left behind Will fade from my mind I'll be free to love again

If you'll only give me time I'll forget I even knew his name Forget that he came I'll be no good till I can Try to understand But when I'm sure I need him no more That's when I'll reach out for your hand

So darling give me time And you will see that I'm Ready to love you Just as you love me Wait awhile 'Til I can find my smile And I'll be yours for as long as I live If you'll only give me time, yeah

So darling give me time And you will see that I'm Ready to love you Just as you love me, oh Wait awhile 'Til I can find my smile And I'll be yours for as long as I live If you'll only give me time
