

I Just Fall in Love Again

Dusty Springfield

Dreaming, I must be dreaming
Or am I really lying here with you?
Baby, you take me in your arms
And, though I'm wide awake
I know my dream is coming true

And, oh, I just fall in love again
Just one touch and then
It happens everytime
And there I go
I just fall in love again
And when I do
I can't help myself
I fall in love with you

Oh, magic, it must be magic
The way I hold you
And the night just seems to fly
Oh, it's easy for you to take me to a star
Heaven's in that moment when I look into your eyes

And, so, I just fall in love again
Just one touch and then
It happens everytime
And there I go
I just fall in love again
And when I do
I can't help myself
I fall in love with you

There I go, I just fall in love again
And when I do
I can't help myself
I fall in love with you
I can't help myself
I fall in love with you
