

I've Been Wrong Before

Dusty Springfield

The night we met
The night that I won't forget
You seemed what I'd been waiting for
But baby, I've been wrong before

You held me tight
And everything seemed just right
I couldn't ask for me
But baby, I've been wrong before

He used to smile at me
And a-hold my hand like you do
Then he left me
And a-broke my heart in two

I see your face
And feel your warm embrace
You're all that I adore
But baby, I've been wrong before

Oh baby, I've been wrong before
