Don't ever forget, bruv, I'm a savage too, bro

Why you think that I'm known as a villain? (Dutch)
I spare no one but kids and women (Yeah)

When I die, I just hope I'm forgiven (Trust)
The way that my bottoms are red, woulda thought I was S Road bopping in Christian's (S Road bop)
Better duck when the barrel's spinning

Might pull up on curbs, start crashing
Bro ain't here so do it in his absence (Free bro, free bro, free bro)
Trust (Trust, trust), mad- mad ting, sad ting (Yeah)
Free bro-bro on the landing
In the cell, just tryna get packs in
Got gyally on me (Yeah)
Don't care, she don't love me no more (Facts)
Approach with caution, big hammer on me like Thor (Brirt, baow)
Dan just looks like Harry, I whip magic like Dumbledore (Whip it, whip it)
Big gun from Call of Duty, you die, you don't respawn
