

Circle The Endz

Dutchavelli

(Trippin' Beatz)

Yeah, yo

Man put two in the spinners bagged it and left these niggas, tragic (Uh)
Mans known for more, pour dippin', in fact I hit double digits (Facts)
I'm in the trap with Bridget, that's white girl, I don't need no one to mix
it (Lizzie)

I know niggas that pree the ting and then dissed it

Now they got scars to live with (Uh)

Don't run when you see the biscuit (No), get nervous (yeah), try fidget (Uh)

Man know what I do with this hammer, let's not be too specific (Grrr)

Man got bored of drill for a minute but I never got bored of drilling (Skrr)

Man came 'round the corner skidding (Pah), I ain't tryna hit no civilian (No
)

Way before COVID-19 came, I knew about social distance (Facts)

Segregation for fourteen weeks I was on close condition

Ding-dong is chauffeur-driven (Skrr), got one in the head, go right there

We'll catch no one slipping (Skrr), we'll go there again, yo

I might S, no bop in the mains and watch him divert the traffic

Your boy got touched and you didn't do nothing (Uh)

Man, I hear you just started rapping (Uh)

That eight-year embarrassing, one phone call I can make it happen

Seventeen shot clip made from plastic

Boombastic, know you ain't on badness (Look)

My name ain't killer but please don't push me

'Cause I'll murder you and your friends

Shotgun shells that's full to the brim

It's time to circle the ends (Man, circle the ends, skrr)

All-black Batmobile back with Robin again (With Robin again)

Oi, come back and back up your boy 'cause I might just bun them again

Oi (Grr, baow)

Come and back you breddrin

Kash said that it's highly impressive how I came through just waving a Wesson (Yeah)

And I ain't gonna ask no questions, I fire at my own discretion (Baow)

This is one of my oldest weapons, still kick it like David Beckham

Yo, two-tone rose gold Rolex, just matching my rose gold Cuban (Flex)

The way I jumped out of the spaceship, they sayin' that I'm not human (Ha)

And what's good with all of these rumors? (What?)

I swear some man are just deluded, I never came up off public speaking (What
)

I built my career on music (Facts)

Make money and keep it moving, that's my only objective

Them man there didn't really want beef (No)

Cah they way too selective

Keep your friends close, enemies closer

That's just the way we kept it

I got bit by a snake last week, I think I need an antiseptic (Uh)

My name ain't killer but please don't push me

'Cause I'll murder you and your friends

Shotgun shells that's full to the brim

It's time to circle the endz (Man, circle the endz, skrr)

All-black Batmobile back with Robin again (With Robin again)

Oi, come back and back up your boy 'cause I might just bun them again

My name ain't killer but please don't push me
'Cause I'll murder you and your friends
Shotgun shells that's full to the brim
It's time to circle the endz (Man, circle the endz, skrr)
All-black Batmobile back with Robin again (With Robin again)
Oi, come back and back up your boy 'cause I might just bun them again
