

Be Right Back

Duwap Kaine

(Babe, wake up, Duwap posted)

No money in the bank (Imagine if I had none, nigga)
I'ma make somethin' shake (Get down)
Pooh Shiesty mask wit' a fuckin' drake (This a fuckin' robbery,
nigga)
Nigga, I'ma make somethin' shake
Home invasion, it's a grab and take
Shots out this pistol, it's gon' gravitate
TAF, you can't initiate
Take a nigga down for what he appreciate
Hella rounds, beatin' up the pace
You seein' me, bitch, don't beat up your face
It's fuck 12 'cause I beat that case
I got locked up in Maison Margiela, freshest in that place
A hood bitch, a city girl
Take me away from my demons, we gettin' round the world
A paid bitch, I like that
Put that gun down, you ain't like that
A thot bitch, I can't wife that
I'm finna take 'em down, I'll be right back
