

Crazy

Duwap Kaine

Bitch, I'm in my house rollin' boof pack
Hopped up out the car
They like "Duwap, where your roof at?"
See an opp, I might have to shoot that
Ran 20 bands up, I just blew that
It's nothin' new though
Baby, you should've knew that
Bitch I put my ice up in the water
Who could do that?
I'm wild like an animal
I see 12 then I gotta go
These bitches love me cause my bankrolls
They only love me cause it can't fold
Bitch, my lean look like some pink gold
I only ride with my kinfolk
Take an L, I swear I can't go
These niggas actors like Django
Bitch you know I keep a ratchet
Bitch you know I keep a savage
Man I'm tired of all this actin'
Bitch you know I'm never lackin'
All my niggas pistol packin'
And you know we stay at traffic
I'm shootin' guns cause it's a habit
30 rounds I let em have it
I stopped the xans I couldn't take it
Leave him duckin' like the Matrix
I'mma run up my bands
And leave all these niggas fakin'
All that internet beef
Will get you turned into a patient
And I just made another song
Cause I know you niggas waitin'
